MORE INFO + FAQs

What will I be learning?

You will study Jesus' ministry through the Harmony of the Gospels, receive evangelism training and mentorship in one-on-one appointments, learn how to lead small groups, and so much more!

Is this a paid internship?

A \$150 monthly stipend is provided during in-school months. Additional support raising required.

Will I receive any certification?

Upon completion of the four-semester program, interns will receive a disciple builder certification through WDA.

Where is the internship offered?

At this time, Campus Ministry Internships are available at Purdue University (Indiana), DePauw University (Indiana), and at the University of GA-Athens (Georgia).

What is WDA?

Worldwide Discipleship Association (WDA) is an interdenominational Christian ministry whose mission is to serve the church worldwide by developing Christ-like character in people and equipping them to disciple others like Jesus did.
